

### **Convenient rentals for those essential items**

Need a baby crib, car seat, stroller, high chair, bicycles, or perhaps a portable barbecue grill during your stay? How about a surf, skim or boogie board, beach chairs or umbrella? What about fishing gear and tackle, or water craft such as a kayak, a small 'Sunfish' sailboat, a flat-bottom fishing or pontoon boat? Medical equipment and supplies, including oxygen, scooters and even beach wheelchairs are available. In fact, local companies offer affordable rentals of many essential household or recreational items — by the hour, week or day. Here are some local companies offering a variety of rental services:
